

Cursive **LOGIC** COLORING

CursiveLogic is a shape-based approach that streamlines, simplifies, and supercharges the cursive learning process.

“Having seen these results, CursiveLogic is the only cursive handwriting method that I use or recommend.”

— **Jessica Gombert**

Elementary Headmaster, Geneva School of Boerne

“Thank you, thank you, thank you CursiveLogic for such a wonderfully designed program! You have not only transformed [my daughter]’s handwriting, you have instilled a confidence in her that no other program has.”

— **Carol Emmert**

Mother of a 15-year-old with dysgraphia

Hope is the thing with feathers

by Emily Dickinson

TRACE

Hope is the thing with feathers

WRITE

TRACE

That perches in the soul,

WRITE

TRACE

And sings the tune without the words,

WRITE

TRACE

And never stops at all.

WRITE

Hope is the thing with feathers
That perches in the soul,
And sings the tune without the words,

And never stops at all.
